

MENTEE APPLICATION

Congratulations on seeking a mentor!

To be considered for the program, please complete the questionnaire on the next page.

Describe in detail your needs, expectations and objectives so we understand what you are looking for in a mentor and can find the best match for you.

You may fill out the form in Polish or in English.

Rename the completed document (**application + curriculum vitae**) with your name, for example "last **name_first name-Mentee-2017.doc**" and email it to mentoring@pwnwarsaw.pl

After we have received your completed form, we will try and determine a suitable mentor. Once we find one, we will send you a confirmation e-mail and ask you to register for the "Meet your Mentoring Partner" session during which you will meet your mentor.

Please wait for an Email invitation from the Mentoring Group.
